# ST. LOUIS URBAN GARDENING SYMPOSIUM

The 2024 St. Louis Urban Gardening Symposium will be held on Saturday, June 1st in Brightside's Demonstration Garden at 4646 Shenandoah Ave. The symposium will feature special guest speakers with experience and knowledge in caring for native plants and advocating for pollinators!

Gardeners and beginners can learn how to plant and care for a neighborhood or home garden, plus learn more about the importance of native urban wildlife.

There will also be opportunities to "Ask the Experts" before and after sessions, plus a native plant sale to cap off a full morning of learning and networking.
